November 14, 2018

Shane M. McCoy, Program Manager  
U.S. Army Corps of Engineers, Alaska District  
P.O. Box 6896  
JBER, AK 99506

Mr. McCoy:

This letter is sent on behalf the cooperating agency Nondalton Tribal Council ("the Tribe"). Enclosed with this letter, you will find the Tribe's comments on the following sections of the U.S. Army Corps of Engineers' ("USACE") Preliminary Draft Environmental Impact Statement ("EIS") for the proposed Pebble Mine:

- Section 3.1 – Introduction to Affected Environment
- Section 3.5 – Recreation
- Section 4.1 – Introduction to Environmental Consequences
- Section 4.5 – Recreation
- Appendix K 3.1 – Introduction to Affected Environment

The Tribe's comments are provided via the attached memoranda from the Tribe's technical consultant Ridolfi Environmental.

The Tribe again encourages the USACE to meaningfully incorporate the comments and recommendations of the Tribe and other cooperating agencies as it further develops its EIS on the proposed Pebble Mine.

Respectfully,

Wesley James Furlong  
Staff Attorney  
Native American Rights Fund
