

BSEE Comments – Pebble Project Preliminary Draft EIS, Chapter 2 - Alternatives

Agency	Comment No.	Section, Paragraph, and Page #	Cooperating Agency Comment (and Purpose of Comment)	Proposed Resolution (Additions or Deletion of Text)	Response
BSEE	1	Ch2, all applicable images		On all applicable images, BSEE would like to see all graphics/maps have the 3-mile boundary marking the beginning of the OCS; No maps/images are 'initially' present in the document. The first four were delivered via email, but none of the others 'were initially' present or available but BSEE will assume that future deliverables will contain completions.	Added the three nautical mile line to the appropriate Chapter 2 figures as requested.
BSEE	2	Ch2, Figure 2-2		Regarding previous requests to denote the OCS boundary, Figure_02_02_Alt1 General Project Layout, omits this OCS identification in legend.	Added the three nautical mile line to the appropriate Chapter 2 figures as requested.
